

About Us

Based in the Yorkshire Dales National Park, the Play Away Trust has established a purpose – equipped recreational, residential and educational facility for young people.

The centre is open all year round, closing only for the Christmas period. It is ideal for residential visits and curriculum based educational trips. The surrounding area is particularly suited to environmental studies as well as outdoor pursuits.

Play Away is a non-profit making charity set up to provide a wide range of facilities/activities for young people's groups from North Yorkshire and Merseyside at subsidised cost.

We are not funded by any government/statutory body and exist entirely on donations.

Play Away is run by a board of trustees whose fundraising efforts allow a subsidy to all visiting groups.
